A School where every child becomes a lifelong learner and realises their potential.

Thursday 16th July 2020

Dear Parents and Carers,

I hope that this letter finds you all well.

I am writing to you all with my finalised plans for welcoming children back to school in September. The plans are based on current guidelines set out by the Government and Public Health England. If these guidelines change over the summer, I will of course update the plans, risk assessment accordingly and communicate these changes to you all.

As I am sure that you can imagine, it has been a long planning process to ensure that my plans keep a larger number of children, staff and parents safe in and around our school site from September. Whilst at the same time ensuring that our learning environment remains engaging and rigorous fulfilling our philosophy of ensuring that all children receive a broad and balanced curriculum.

Please take the time to read the document and if it raises any questions or concerns, please contact me via the school office to arrange a convenient time to discuss them.

All documentation can be found on our school website under the tabs: **Key Information- Covid-19**.

I will send information explaining in more detail September drop off and collection procedures the final week of the summer holidays.

Thank you for your ongoing support.

Take care and stay safe.

Kind regards.

Rachel Dance

(Head Teacher)
