RE: Wrap Around Care at Grateley

Dear Parents and Carers,

Due to changes in staff that come into effect at the end of the summer term, we are no longer going to be able to provide the school run Early Bird before and after school care facility.

For the past few months I have been liaising with an external company PH Sports, who will be taking over from the school and will be running a wrap around care service from our school site commencing the beginning of September 2020. I am pleased to say that, following my request, they have stuck to a similar costing and hourly rate option for parents. The only small increase will be for the before school session as they will be able to provide food. There is also an option for the second hour of after school care for your child to have a healthy, cold snack option (please see the attached weekly menu).

Club	Times	Food Provision:	Cost
Breakfast Club – 1 st Session	7:30 – 8:30	Healthy Breakfast	£4.50
After School Club - 1 st Session	3:30 – 4:30	N/A	£4.50
After School Club – 2 nd Session	4:30 – 5:30	Light Snack	£5.50

Please find attached to this letter PH Sports information leaflet and menu. For ease of booking, PH Sports have set up an online booking system that you can use to book the care that you will require from September. This online booking option has gone live today.

As always, if there is not a big enough uptake of parents using this wrap around care facility, then it will not be financially viable and we will be unable to continue this service for parents.

Please contact the school office if you would like further information or have any questions.

Kind regards

Rachel Dance
