Keeping parents informed of the School's new events and important information

Friday 12th February 2021

Dear parents and carers,

You have done it- it is half term!

On the 22nd February, following the governments announcement for the proposed reopening of schools on the 8th March, in whatever capacity this will be, I will put a plan in place and communicate this to you. Please be reassured that all plans and risk assessments will have the safety of the children, staff and parents at the centre of all decisions made.

It has been amazing to see the hard work and effort that has gone into all remote learning this half term. I am so impressed with the children's attitude and your commitment to home learning- a **HUGE** thank you from all of us here at school.

There will be no work set over the half term. I hope that you all relax, have fun off screen and enjoy some, hopefully, warmer weather!

Grateley PE - Health and Well-Being Survey

Welcome to our school Health and Well-Being Survey.
Mrs Dance and Mr Holmes are exploring our PE provision including Health and Well-Being. This is a chance for all children to take part in our survey and be involved in developing our future PE provision.
Can all children complete and we will feedback some of our finding and the exciting new changes that you would like us to explore.

Just a gentle reminder to request that, when you have a spare moment, you click the link below to complete the survey put together by Mr Holmes (Sports coach). This survey will enable us to evaluate the remote PE provision at school as well as plan for our PE curriculum moving into the future.

Finally, I just wanted to say how brilliantly you have all coped with what has been a highly stressful period this half term. At school, we have been inspired by your hard work and commitment to your child's learning. It has been amazing how quickly you have learnt to use and engaged with our remote education platform, which is no mean feat!

In an ideal world, we would be welcoming the children back to school on the 22nd February. Please be reassured that we will continue to support you remotely until such time that the school is filled with the sound of all of the children again- hopefully on the 8th March!

If you have any questions, queries or concerns, please contact the school office to speak to either the office team or myself. Please use the school's remote learning platform and the welfare phone calls to communicate with your child's class teacher; they are on the end of a computer every day of the school week!

Take care and stay safe.

Have a wonderful half term!

Kindest regards,

REDance

[Safeguarding Children at Grateley Primary School](http://www.hampshiresafeguardingchildrenboard.org.uk/professionals/)

<http://www.hampshiresafeguardingchildrenboard.org.uk/professionals/>

Grateley Primary School is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment... This means that we have a Child Protection Policy and procedures in place, which we refer to in our prospectus. All staff, including supply staff, volunteers and governors, must ensure that they are aware of these procedures. Parents and carers are welcome to read the Policy on request. Sometimes we may need to share information and work in partnership with other agencies when there are concerns about a child's welfare. We will ensure that our concerns about our pupils are discussed with his/her parents/carers first unless we have reason to believe that such a move would be contrary to the child's welfare.

Our Designated Safeguarding Leads are:

Mrs R Dance – Head Teacher

Miss D Knights – Class Teacher

Safeguarding Governor is:

Mrs Victoria Rutherford

Our Chair of Governors is:

Mrs Amelia Bridges

If you are concerned about a child's welfare, please record your concern, and any observations or conversation heard, and report to one of the Designated Safeguarding Leads as soon as possible on the same day.

DO NOT conduct your own investigation. If your concerns relate to the actions or behaviour of a member of staff (which could suggest that he/she is unsuitable to work with children) then you should report this to the head teacher in confidence. If the concern relates to the Head Teacher you contact the Local Authority Designated Officers, LADO, on 01962 876364, who will consider what action to take.
