

Grateley Primary School

A school where every child becomes a lifelong learner and realises their potential.

School Improvement Plan 2021-22

Key areas

1. *We Keep our children safe - Safeguarding*
2. *Effectiveness of Leadership and Management*
3. *Excellence Teaching, learning and assessment*
4. *High standards of PDL, Behaviour and welfare and SMSC*
5. *Focus on Outcomes for all children - Overall effectiveness*

Embed the schools assessment tracking and monitoring processes to improve the progress and outcomes of all children in reading, writing and maths.

Closely monitor the progress and outcomes of Pupil Premium and Disadvantaged children through triangulation of monitoring procedures and assessment tracking procedures.

To ensure that a systematic, synthetic phonics programme is used effectively across the school.

Evaluate the impact of and develop the use of mixed age planning documents to ensure that year group progress and outcomes develops across year groups; ensuring that every child makes at least good progress from their starting point.

To develop the use of the schools remote education platform to continue to ensure effective communication and access to learning between home and school.

To plan for the effective use and delivery of the recovery premium funding for the academic year 2021-22.
