

Grateley Primary School

Rules for Responsible Internet/Digital Technology Use

Pupils

The school has computers and internet access to help our learning. These rules will keep everyone safe and help us be fair to others.

I will not open other people's files;

I will only use the computers for school work and homework;

I will only bring CD's into school with permission and supervision (we are not allowed to use Memory Sticks/storage devices);

I will ask permission from a member of staff before using the internet;

The messages I send will be polite and sensible;

I will not give my home address, telephone number, email address or personal website details, or arrange to meet someone, unless my parent, carer or teacher has given permission;

To help protect other pupils and myself, I will tell a teacher if I see anything I am unhappy with or I receive messages I do not like;

I will not use a mobile phone on the school site

I understand that the school may check my computer files and may monitor the internet sites I visit.
