

Parent Questionnaire April 2023

At Grateley Primary School we value a home school partnership that continues to develop the full potential of every child. Thank you to all of the families who responded to the questionnaire, we value your opinions and will use them to ensure that our school goes from strength to strength. Please see the results of the survey below, with comments and school actions arising from our analysis.

41 (62%) families responded out of 66 families.

	Strongly Agree	Agree	Disagree	Strongly Disagree	Total SA/A
1. My child is happy at Grateley Primary School.	63.4%	34.1%	1.5%		97.5%

12. I would recommend this school to another parent.	Yes: 100%	No: 0%			

We are continuing to develop enrichment opportunities at school in addition to the after school sports provision that we currently provide. Which, if any, additional clubs would you like to see at Grateley?

Suggestions given: football; more varied sports activities; cookery or textiles; languages; gardening club; gymnastics; art club; dance club; homework club; chess; drama; computer programming

I'm very happy with what is offered.

Just a really good, homely afterschool club with beanbag chairs, homework help and an afternoon meal would be so helpful for working parents.

A parent-run after school club (like another local school). I'd love to be part of something like that at Grateley.

If you would like to provide any further clarification to the answers, which you have provided above, please do so below. Thank you.

I have one child who's happy and one who isn't. One who feels supported and one who doesn't.

We love Grateley school. Our daughter is thriving and all of the staff are fantastic with us and with our daughter. She is always so excited to go to school (although she doesn't always show it in the mornings!) We would strongly recommended Grateley to any parent. Mrs Dance is a fantastic Head teacher.

Grateley Primary School is such a lovely school, the staff are so friendly and go out of their way. My daughter is so happy going to school each day and learns so much from the varied subjects they cover each term. Great school - great teachers!

Need a in between answer as agree and disagree is 50% for most question

I don't think I would commit to after school activities. Often with football parents would be kept in the dark as to whether it would go ahead even on the day, so we have stopped.

My children are very happy and settled at Grateley school. Any issues raised are dealt with quickly and I feel my children are well supported at school.

Actions arising from the survey analysis:

Explore additional clubs offered at school- both after school and at lunchtime following suggestions made.

Speak to the local school who has parent-led after school clubs to see how this is organised and facilitated.

Investigate additional ways in which we can support the wider personal development of the children at Grateley.

Explore different ways (in addition to current communication) that the school team can inform parents of how their child is doing. Possibly re-introducing the end of term class showcases and/or opportunities for parents to be welcomed into school for informal come in and see what we have been learning in class this week sessions.
