

Child Friendly Safeguarding Policy

Safeguarding at Grateley Primary School

Our school has a safeguarding and child protection policy for staff, families and governors. We have created this policy to help you decide what could be a problem and where you could get help and support. There may be times when you want to talk to someone in school about a problem that might be upsetting you.

All of the teachers and staff in school are trained to help you and there are three people in charge of ensuring that we are all safe at school they are:

Mrs Dance
Designated Safeguarding
Lead (DSL)

Miss Knights
Deputy Designated
Safeguarding Lead (DDSL)

Mrs Norman
Deputy Designated
Safeguarding Lead (DDSL)

Safeguarding means that all staff will:-

- Protect you from harm.
- Make sure nothing stops you from being happy.
- Make sure that you are safely looked after.
- Make sure that you have the best start in life.

There are many other people too, who may help you with an upsetting problem and they do not work at your school but care about you as much as we do.

What is bullying?

Bullying is behaviour that hurts someone else. It includes name-calling, hitting, pushing, spreading rumours, threatening or undermining someone. It can happen anywhere – at school, at home or online. It's usually repeated over a long period of time and can hurt a child both physically and emotionally. *NSPCC Definition*
