'A school where every child becomes a lifelong learner and realises their potential.'

Dear parents/carers,

It has been a fantastic first week back. Children have been happy and engaged in learning.

In Bear, children have been settling into the school routine and learning how to play with new resources in the classroom.

In Darwin class, the children have been learning to describe animals and they have been using similes in their writing.

In Adamson class, the children have been writing a non-chronological report about their imaginary monsters. They have used some fantastic adjectives to describe them.

In Attenborough the children have turned a poem into a narrative and they have been thinking about their sentence openers and description.

Please note that class newsletters can be found on the school website.

In Celebration assembly, we are celebrating learning through a variety of ways. One of these ways is the Grateley Excellence certificate which is awarded to a child from each class for demonstrating good learning behaviours or one of the school values.

Have a super weekend

Mrs Hill
