'A school where everyone becomes a lifelong learner and realises their potential.'

Dear parents/carers,

Another week has flown by here at Grateley!

We have some exciting news to share this week.

At the end of last week, we had our annual formal visit from the Hampshire Team.

Some of the highlights were:

- Phonics teaching is very strong across our EYFS and Year 1 classes, as well as children receiving catch-up support in higher year groups
- Reading across school is having a significant impact on children outcomes. The reading curriculum was implemented in January 25 and the teaching of reading across school is good.
- Children are able to talk clearly about their learning in reading, using adventurous and text specific vocabulary to articulate their ideas
- Leadership in school is strong with subject leaders making learning exciting and enriching as well as in line with the National Curriculum expectations.

Following this visit, and having reviewed the amazing progress throughout the school, we were delighted to hear that we are no longer a supported school!

Well done to the school team, the Governors and of course the children. Thank you to you all for continuing to support our fantastic school.

Mrs Hill

'We are all in this together.'
