Staffing update

It is important to me that I keep you updated regarding any staffing changes team to the team.

There are some changes to the team for summer term. The fantastic news is that all staff are already known to the children in school and are familiar with the 'Grateley Way'.

Mrs Linwood

We welcome back Mrs Linwood from her successful school placement at Vigo.

She will be in Bear Class with Miss F-T; she knows the children and has good relationships with them.

She will continue to be supported through her final term of training by Miss Heaps.

Welcome

We welcome Miss Wells, who has been on placement with us during Spring 2. She is an Unqualified Teacher and will be completing her final term of training with us. She will be teaching in classes from year 1- 4 with a significant part of her week in Darwin with Ms Heaps.

Goodbye

We say a sad farewell to Mrs Friend and we wish her all the best in her next chapter.

Congratulations

Congratulations to Mrs Britton who interviewed over the Easter break for an Unqualified Teacher position; she was successful and will hold this role for the summer term.

Mrs Britton and I will continue to teach Attenborough class for the summer term.
