'A school where everyone becomes a lifelong learner and realises their potential.'

Dear parents/carers,

On Tuesday 23rd June, the children will have a shuffle up afternoon from 1.30pm-3pm.

Each year group from the new year R children to year 5 will be moving into their new classrooms with the team of staff.

Year 6 will be play leaders in the classrooms during this session.

During this session, the children will have a focus:

Relationship- Begin to build relationships with the team around the class.

Reading- Learn about the famous person that the classroom is named after.

Art- Create a display around the famous person of your new class.

Here are the teams of adults supporting your children for the shuffle up session.

Additional shuffle up session:

Tuesday 7th July for the day.

Class Teachers- September

We are recruiting for the year 3 and 4 class teacher for September. We have a class teacher post advertised and will be shortlisting over the next 2 weeks. Once we have interviewed and all checks completed, I will notify you of the class teacher for year 3 and 4.
