'A school where everyone becomes a lifelong learner and realises their potential.'

Dear Parents and Carers,

Return to School on Monday

Thank you for your continued support and understanding throughout this week. I am also very grateful for your kind messages and communication; they are sincerely appreciated.

As I have mentioned previously, the decision to close the school, even for part of a day, is never taken lightly. I fully understand the impact this has on children's learning and on family arrangements.

Fortunately, the heatwave now appears to be easing, and we are very much looking forward to welcoming all children back for a full day of learning on Monday.

I would also like to thank you for your understanding regarding the importance of the school team seeing or speaking with the children on Friday. These have been exceptional circumstances during a week in which children have experienced intermittent attendance in school.

Thank you once again for your ongoing support and understanding. I hope you and your families have a restful weekend and, hopefully, enjoy some much cooler weather.
